Technical Visit to Shenzhen BYD and Skyshuttle

Date: 27th July 2024 (Saturday)

Time: 08:30 – 16:00

Venue: Shenzhen BYD Headquarter and Skyshuttle Line
(including a lunch gathering at a restaurant in Shenzhen)

Introduction: SkyShuttle is a grade separated transit system operating on dedicated guideway. As vehicles runs on rubber tires with battery energy, SkyShuttle does not require the provision of side evacuation walkway nor overhead catenary. It is capable to operate with a smaller radius and steeper gradient, which provides an advantage in terms of special requirements among low and medium capacity transit systems.

No. of Participants: 30

Admission Fees: **Free-of-charge.** A lunch gathering in Shenzhen shall be sponsored by the IRSE(HK).

Participants shall bear the travelling expenses between Hong Kong and the gathering location in Liantang Port in Shenzhen.

The IRSE(HK) shall subscribe relevant group travel insurance to provide coverage of participants in the activity.
