**Abstract:** # The Technical Forum is a prelude held before the ***IRSE(HK) 30th Anniversary Dinner***. Members may refer to a separate notice about the arrangement and booking of the IRSE(HK) 30th Anniversary Dinner.

The Technical Forum consists of three presentation sessions delivered by Committee Members of IRSE(HK). They will share their tour, learnings and social events experienced in the **IRSE International Convention 2024**.

### **Session 1: “IRSE Convention 2024: Embracing Collaboration and Continuous Learning”**

- presented by Mr. LI Yin Ming, Eddie

**Mr. LI Yin Ming, Eddie** will present a comprehensive review of his tour in the IRSE International Convention 2024. He will share the meeting with IRSE Executives and few major technical paper presentations. The day trip to Niagara Fall, visits to key railway projects, networking opportunities and social events will also be highlighted.

## Session 2: "Connecting Professionals & Innovations: My IRSE Convention 2024 Experience"

- presented by Mr. POON Yuk Fei, Leo

**Mr. POON Yuk Fei, Leo** participated the IRSE Convention 2024 through the Hewlett Fisher Bursary. He gained invaluable insights and experiences that will continue to inspire his professional journey. He is excited to share his unforgettable experience at the Convention that was an enriching blend of learning, exploration, and connection.

## Session 3: "How did I survive 4 days and 4 nights in a train?"

- presented by Mr. LUNG Chun Pong, Charles

**Mr. LUNG Chun Pong, Charles** will share the scenery, the food and the company on board for his travelling from Toronto to Vancouver via the VIA Rail. The total running time of his journey lasted for 97 hours.
